SPORTS GAMING BULLETIN

September 1, 2024

The Ohio Lottery Commission is issuing this bulletin to Type C Lottery Sports Gaming Proprietors to provide a status on the program and procedures.

Operating Standards and Minimum Internal Control Standards will be available on our website in their entirety as they are drafted and approved.

On the first of each month, the Lottery will publicize a bulletin on this website providing updates on any changed items.

Operating Standards

Annual Plan Operating Standard – The agency has published Operating Standard updates addressing disentanglement notification procedures.

Event Wagering System and Devices Operating Standard – The agency has published Operating Standard information addressing the procedure for wager disposal and equipment tracking.

Financial Processing Operating Standard – The agency has published Operating Standard changes to additional reporting requirements.

Marketing and Advertisement Operating Standard – The agency has published Operating Standard changes to advertising programs.

Promotional Program Operating Standard – The agency has published Operating Standard updates addressing the promotional credit program.

Security Planning Operating Standard – The agency has published Operating Standard updates addressing approval and verification.

Shipment of Equipment and Software Operating Standard – The agency has published Operating Standard updates addressing disposal of wagering devices and reporting of equipment system tracking.

Minimum Internal Control Standards (MICS)

No new updates

Inquiries regarding these standards or other program components may be submitted in writing to sportsgaming@lottery.ohio.gov.
