A message from the Director

We're ready to take on spring, knowing that summer is just around the bend. That means exciting events, family visits, travel, sun and more. No matter your schedule, it's a wonderful time to get out and try something new.

One million potential customers will enjoy this month's scratch-off coupon -- just in time for our spring scratch-off release on May 6. We know many of them will come through your doors. Customers have a lot of choices, from what to play to where to play, and you can lead the way by offering an exceptional experience. This month's release of scratch-offs, from the \$1 *Hot 7's* scratch-off to \$30 *Royal Riches* -- this month's spotlight game -- offers a lot of variety. For customers who enjoy a bit of nostalgia with a side of humor, you might want to suggest the new \$5 *The Three Stooges® Pie Payout*.

Our spring sponsorship season has begun, opening the month with Sonic Temple Art and Music Festival in Columbus. We look forward to participating in a variety of community events throughout the state over the next few months, including the Ohio State Fair. Come out and have some fun at one or more of these events!

On June 14, we'll be on the road producing *Cash Explosion LIVE* at the Covelli Center in Youngstown. Be sure to save the date and share this opportunity with your customers. If your time permits, please join the LIVE event audience and enjoy the show! Bring a *Cash Explosion* entry ticket for a live drawing where eight contestants will be drawn to appear on the special LIVE show.

Enjoy the latest news, practical tips, winner news and more in this issue. Thank you for making our customer's day with your kindness, help and care. Have a great month!

Sincerely,

Taking Care of Business:

Need technical assistance?

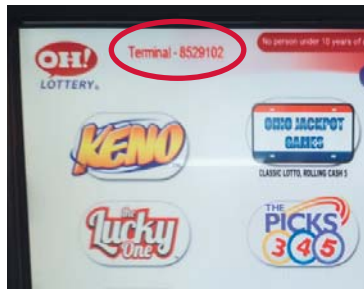

Help us help you when you have vending machine issues.

You may have only one, or you may have a number of different vending machines at your store. Help the Intralot Call Center by clearly describing the machine you need to have fixed. Describe one key feature, like these below.

1. Does your machine have 25 push button windows for scratch-offs? You have a WinStation.
2. Does your machine have a big 32-inch touch screen? Is your machine about 4.5 feet tall? You have a Dream Touch vending machine.
3. Do you have a thin red machine with an Ohio Lottery drawing ball sticker below the card reader? You have an MP vending machine.
4. Do you have a thin red and purple machine with a gray ledge and Touch & Win decal below the card reader? You have an MP Touch & Win machine.
5. Do you have a thin yellow machine with a gray ledge and EZPLAY Tap decal below the card reader? You have an MP Next Generation. This machine is limited to fraternal organizations and clubs.

Check the machine's terminal number

Four machines include a screen monitor, which displays a terminal number at the top of the screen. This is great information to share with the Call Center when you need technical support.

Tech visits for preventive maintenance of equipment

If an Intralot technician comes to your store, they must show ID and be wearing a standard issue uniform. Preventive maintenance on our self-service vending machines typically takes place twice a year. These visits are not scheduled in advance.

Intralot technicians often work evenings from 7-9 p.m., including weekends. If you have any questions about a tech visit to your store, please call the Intralot Technical Hotline at 1-866-710-2462.

Keep your retailer number handy and be ready with any keys needed to open your vending machines.

Routine Lottery vending maintenance helps keep your equipment running well.

Quick & Convenient: Chaser's Drive Thru in Wooster Delivers Top-Notch Service

Nick McKinley (right) and his wife **Liz** (left) and the staff at Chaser's Drive Thru have been serving the community of Wooster since 1986. "We know everybody by first and last name for the most part," says Nick. "We have a great staff. Every day is fun."

Spotlight: Chaser's Drive Thru in Wooster

By **Vivica Williams**, Communications

It's more than just a quick stop at Chaser's Drive Thru in Wooster. "You never know who's going to come in the door next. It's always exciting. We love our customers," says owner **Nick McKinley**. "We know everybody by first and last name for the most part. We have a great staff. Every day is fun."

The local hotspot offers snacks, drinks and of course lottery favorites - all without people ever having to leave their car.

"We can wait on them outside, and being a super agent also helps draw in different folks," he says. The store is also a top performer when it comes to cashing winning tickets.

The McKinleys have owned the property Chaser's sits on since 1980. In 1996, his family converted the property into a beverage business, and ever since his mom retired back in 2019, he's been running the business.

Starting with four bins of instant tickets, the store started selling lottery products in 1997. Today they sell a variety of scratch-off games in 120 bins between the store and the drive thru. They are among the first retailers in the community to get the newest games out for sale.

Chaser's Drive Thru has seen its fair share of winners over the years, including a \$5 *Cashword* top prize win in 2011, a *Rolling Cash 5* jackpot prize and \$250,000 *Mega Millions* prize in 2012. It's been quite a journey for the McKinley family business. Lottery sales representative **Lindsay Lemonte** said staff are a joy to work with.

"They honestly are the kindest people I've ever met. Watching them with their customers is amazing," she says. "You don't see that often anymore. They treat them as family."

The drive thru not only has a dedicated lottery area with a wide variety of new games and fan favorites, the McKinleys even run their own second-chance drawings.

"We draw four names every week to get this nice little prize package -- \$25 worth of tickets. Something to help the players keep playing, even after their ticket as a non-winner," he says. The store currently has eight employees. Looking ahead, Nick hopes to keep the business in the family.
